Vienna

Vienna is a city indelibly stamped by its traditions, a pulsating capital in the heart of Europe where East and West unite. No other European city can look back on such a long history as a melting pot of manifold European cultures; here we can observe a city's success in integrating an enormous variety of cultural, artistic and architectural influences into a unique and inimitable lifestyle.

Vienna calls – not only with cultural pleasures but also many other leisure and outdoor activities, such as the Prater with the giant Ferris Wheel, the amusement park, the expansive green areas and gardens and the Donauinsel (Danube Island), with its more than 12 car-free miles for bathing, skating, cycling and strolling along. Or you can visit a »heurige« wine tavern and experience the delights of Austrian wine culture.

Your Hotel

On its unique site by the Danube and near the exhibition and trade-fair grounds, the UNO City, the Ernst Happel Football Stadium, the Prater and the Donauinsel (Danube Island), the Hilton Vienna Danube is the ideal, central location for travellers in search of both business and pleasure. The city centre is reached easily and quickly – only 7 minutes away by underground. Our guests enjoy the most spacious rooms in Vienna, while conference organisers praise our capacities and state-of-the-art meeting and event facilities. Treat yourself to something really special on our Executive Floor and Lounge on the top floors.
